

## St. Mary's Holy Faith Glasnevin student nominated for the Pramerica Spirit of Community Awards

*Ireland's Top Youth Volunteers for 2019 Announced for The Pramerica Spirit of Community Awards*

St Mary's Holy Faith secondary school is very proud of Ciara McKenna who has been recognised for the exemplary volunteer work carried in her community. She was announced as one of twenty student finalists revealed as outstanding volunteers by Pramerica for the 2019 Spirit of Community Awards (SOC), the only all-Ireland youth initiative of its kind.

Ciara McKenna from Glasnevin was nominated for her work with assisting with the educational and therapeutic needs of children with various disabilities.

The SOC programme, which is run in partnership with the National Association of Principals and Deputy Principals (NAPD) and the General Teaching Council for Northern Ireland (GTCNI), honours post-primary students for outstanding acts of volunteerism and the positive contribution they make in their local communities.

*"Year after year, I am so impressed by the incredible drive and passion shown by our participants. 2019 is no different. The volunteer work carried out by teenagers and young people in towns and villages in Ireland is truly having an impact and making a difference," says **Andrea McBride, vice president, Pramerica Systems Ireland.** "From caring for the elderly and supporting mental health awareness, to helping people with learning disabilities, motor impairments, and blindness, so much of the volunteering activities that young people are involved in is going under the radar. Our awards programme aims to shine a light on these dedicated students by applauding their achievements and encouraging others to give back to their hometown."*

The twenty students will be presented with €500 and an engraved silver medallion at the awards ceremony on 28th March at the Aviva Stadium in Dublin. The top two Junior Honourees will also receive an additional €500 for their chosen charity, and two of the twenty students will be named All-Ireland Youth Volunteers of the Year. These two awardees will receive €1,000, a gold medallion, a crystal trophy for their school and an all-expense paid trip to the United States in May to participate in the Prudential Spirit of Community Awards ceremony.

This year's ceremony will feature keynote speaker Richie Sadlier, a former professional footballer, psychotherapist and mental fitness teacher. Sadlier will share his own insights into volunteer work and his experience with working in the mental health sector.

*"It is great to see the high-calibre of young people from across Ireland who have been nominated for the Pramerica Spirit of Community Awards," says Sadlier. "The voluntary efforts of these young people have such a positive lasting effect on those they help. It also allows them to develop important life skills that will only benefit them and those around them as they get older. I'm delighted to be involved in an event that celebrates the selfless work of these honourees."*
